REPORT ON Rothman watching for Nielsen.

Made by D.S.Givens. ***Forwarded by*** Chief Detective Inspector

Sir,

D.S. 201 Sullivan has confidentially informed me that whilst on duty on the jetties on 1st instant, he met J. Rothman, who informed him that he was watching for Adolph Nielsen, who was expected to leave by the S.S. Ecuador. Rothman said that a British warship would take Nielsen off the ship if he tried to get away. A C. Nielsen, whose description answers that of the son of Gordius Nielsen, the broker, left by that boat.

I am, Sir,

Your obedient servant,

T.P.Givens

Detective Sergeant.

Chief Detective Inspector.
